(A joint stock company incorporated in the People's Republic of China with limited liability)
(Stock Code: 00579)

ANNOUNCEMENT

(1) PROPOSED ISSUE OF SHORT-TERM DEBENTURES

(2) PROPOSED CHANGE OF USE OF PROCEEDS

AND

**(3) PROPOSED APPOINTMENT OF NON-EXECUTIVE DIRECTOR
AND INDEPENDENT NON-EXECUTIVE DIRECTOR**

The board of directors (the “**Board**”) of Beijing Jingneng Clean Energy Co., Limited (the “**Company**”) is pleased to announce that, on 23 August 2012, the Board considered and passed resolutions in relation to (i) the proposed issue of short-term debentures with a principal amount not exceeding RMB1,800 million, (ii) the proposed change of use of proceeds from the initial public offering of H shares of the Company (the “**Global Offering**”); and (iii) the proposed appointment of a non-executive director and an independent non-executive director of the Company.

All the above resolutions are subject to considerations and approvals by the shareholders of the Company (the “**Shareholders**”) at the second extraordinary general meeting of the Company of 2012 (the “**General Meeting**”). A circular containing, among other things, details of the proposed issue of short-term debenture, the proposed change of use of proceeds, the proposed appointment of non-executive director and independent non-executive director and notice of the General Meeting, will be dispatched to the Shareholders in due course.

1 PROPOSED ISSUE OF SHORT-TERM DEBENTURES

The Board is pleased to announce that, on 23 August 2012, the Board resolved to approve the proposed issue of short-term debentures with a principal amount not exceeding RMB1,800 million, subject to the approval by the Shareholders at the General Meeting.

In order to further expand the financing channels and reduce financial costs to increase the profitability, the Board resolved to approve the proposed issue of short-term debentures with a principal amount not exceeding RMB1,800 million. The proceeds raised will be primarily used to repay part of the short-term bank loans and to supplement the working capital of the Company. The interest rates of the short-term debentures to be issued will be determined according to the overall market condition at the time of the issuance.

The Board also resolved to submit the above resolution in relation to the issue of short-term debenture to the General Meeting for consideration and approval and proposed to the General Meeting to authorise the Board and the senior management of the Company to, in accordance with the demand of the Company and the market condition, decide and deal with all relevant matters in relation to the issue of short-term debenture, including without limitation, the terms and conditions and any other relevant matters relating to such issue as well as taking all necessary actions.

The resolution regarding the issue of short-term debenture, if approved at the General Meeting, shall be valid for a period of 24 months commencing from the date of its approval at the General Meeting.

2 PROPOSED CHANGE OF USE OF PROCEEDS FROM THE GLOBAL OFFERING

Reference is made to the prospectus of the Company in relation to the Global Offering dated 12 December 2011 (the “**Prospectus**”). The net proceeds raised from the Global Offering, after the exercise of over-allotment option, amounted to approximately HK\$1,738.5 million. As disclosed in the section headed “Future Plans and Use of Proceeds” of the Prospectus, the Company intended to use the net proceeds in the following manner:

- (1) approximately 50% of net proceeds would be used for investing in the construction of wind power and gas-fired power projects, among which (i) approximately 62% will mostly be used within 2012 for the construction of gas-fired power projects in the PRC; and (ii) approximately 38% will mostly be used within 2012 for the construction of wind power projects in the PRC; (“**Usage (1)**”);
- (2) approximately 20% of net proceeds would be used for purchasing key equipment and parts and technological consultancy for maintenance as well as equipment improvement for existing projects; (“**Usage (2)**”);
- (3) approximately 20% of net proceeds would be used to repay certain amounts of the following banks loans (i) the RMB200 million bank loan from Agricultural Bank of China; and (ii) the RMB160 million bank loan from Shanghai Pudong Development Bank; and
- (4) approximately 10% of net proceeds would be used for working capital.

In order to promote efficiency when utilizing the financial resources of the Company, optimize the development strategy, reduce the capital-use cost, facilitate the exploration in overseas market and avoid exchange loss when going through the foreign exchange settlement process, the Board proposed to make adjustments to the intended use of proceeds received from the Global Offering in the following manner:

- (a) all the net proceeds in item (ii) of Usage (1) and 50% of the net proceeds in Usage (2) will be used to repay the bank loans; and
- (b) the remaining 50% of the net proceeds in Usage (2) will be used to invest in the overseas subsidiaries of the Company.

The directors (including the independent non-executive directors of the Company) consider that it is in the best interests of the Company and the Shareholders as a whole to reallocate the use of the net proceeds received by the Company from the Global Offering for the proposed purposes. The Board resolved to submit the above resolution in relation to the change of use of proceeds to the General Meeting for consideration and approval.
